FOR IMMEDIATE RELEASE

CHAMBERS LAUDS GOODWIN PROCTER'S ENVIRONMENTAL PRACTICE

Chambers USA, an independent source that publishes *America's Leading Lawyers for Business*, a survey based on peer and client interviews, called Goodwin Procter's Environmental Practice "a strong, capable group [that] has risen to prominence on the strength of its skill in environmental litigation and a much-praised national reach." Chambers also had the following to say about Goodwin Procter Lawyers working on environmental matters:

"smart and articulate"

"ideal for complex cases"

"constructive and creative"

"absolutely fantastic"

"extremely strong on the interplay between real estate development and environmental regulation"

"responsive and efficient"

"innate common sense and collegial style"

"practical and solutions-oriented"

"top of the list"
